

# Join us as we go *Beyond Gratitude*

Let's honor nurse managers for the heart,  
body and soul they pour into their work.

Share your appreciation for your nurse manager through post-it-notes, an email, a digital thank you note or by organizing an appreciation party.

Share stories of the dedication and commitment of nurse managers in your life on social media using the hashtags **#BeyondGratitude** and **#NurseLeaders**.

Visit [nursemanager.org](http://nursemanager.org) to learn how you can go **Beyond Gratitude** and thank your nurse managers with ready-to-use templates and tools.

Provide meaningful gratitude through a **DAISY Nurse Leader Award**. Learn more about this program at [daisyfoundation.org/daisy-award/nurse-leader-award](http://daisyfoundation.org/daisy-award/nurse-leader-award).
